Serie information

CN 06 140 EA CLOUD AS W

FinEco has been inspired by the minimalistic Scandinavian style, with a width of only 56 mm. Its thin and elegant lines make it suitable for any interior

The AirSafe function provides innovative solution for better air hygiene in the room, by exterminating 98% viruses and bacteria in the air.

Special construction and position of the air vents creates a heat curtain which results in an efficient convection that quickly warms up the room. Thanks to the heat curtain effect, FinEco is the perfect choice for under window mounting.

Intuitive internet control with the new myTESY apps gives you the comfort and freedom to always be in touch with your appliance and control its operation, according to your needs and in a way to efficiently save energy.

Thanks to all its features, FinEco provides the high value of seasonal energy efficiency, which means that your appliance is optimizing the energy usage in the most efficient way
